**Subject: Administrative error in the Grant Agreement.**

Dear Coordinator,

By this letter, we would like to draw your attention to two administrative errors in the Grant Agreement signed between the Research Executive Agency and your consortium.

While producing the Grant Agreement, a clerical error occurred in the core Grant Agreement as well as in Annex III to the Grant Agreement (versions 2 and 3). The table below outlines these clerical errors and states the correct wording of the articles concerned. You may disregard information not relevant to your Marie Curie action.

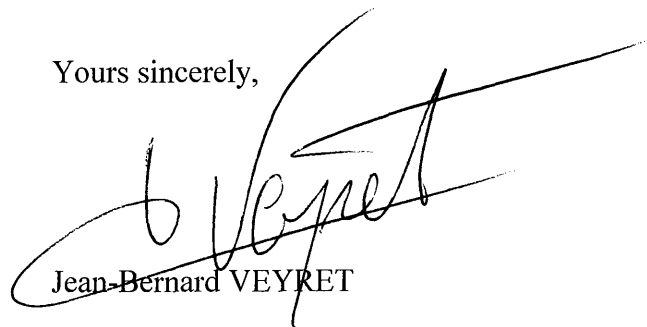

<b>Type of action</b>	<b>Article</b>	<b>Current wording</b>	<b>Correct wording</b>
ITN, IAPP	Grant Agreement, Article 10, Special Clause 5bis	"Each beneficiary is requested by the REA to attend such meeting in accordance with Article II.3.g"	"Each beneficiary is requested by the REA to attend such meeting in accordance with Article II.3.h"
ITN	III.8.1(b)	"In case of secondment, the correction coefficients are applied with reference to the premises where the researcher is carrying out his/her secondment period."	DELETED

Please note that as a result of the above, Article III.8.1(b) in ITN is not applicable as correction coefficients do not pertain to secondments in ITN programme. We apologise for any misunderstanding that this may have caused.

Should you have any further questions, please do not hesitate to contact the Legal Officer, Mr Piotr KASPRZYK by phone on 0032-2-29 97871, or by email: [piotr.kasprzyk@ec.europa.eu](mailto:piotr.kasprzyk@ec.europa.eu).

Thank you again for your kind cooperation.

Yours sincerely,

Jean-Bernard VEYRET
